

DRUG & THERAPEUTICS
INFORMATION SERVICE
DATIS

phn
COUNTRY SA

An Australian Government Initiative

GPs, Pharmacists, Nurses & Students are invited to an educational session on the following topic:

Medicines and Weight

Learning Outcomes:

- ❖ Identify the medicines associated with weight gain and the extent, and understand strategies to minimize the impact
- ❖ Examine safe and effective use of pharmacological treatments for weight loss
- ❖ Demonstrate the importance of medication review in patients who have undergone bariatric surgery

What's in it for me?

- ❖ An opportunity to discuss evidence-based information and access key resources
- ❖ Approval for 4 CPD Activity points with RACGP, and 3 core ACRRM points
- ❖ This session is accredited by sapmea, with an RACGP accredited provider

Date: Tuesday 10th November 2020

Location: University of South Australia, 170-174 Wireless Road West, Mount Gambier.

Time: 6.30 pm – 8.30 pm (6.00 pm for registration and dinner)

Presenters:

- ❖ Professor Debra Rowett DATIS (Drug and Therapeutics Information Service)
- ❖ Brian Simmons, Educational Visitor DATIS (Drug and Therapeutics Information Service)
