This education session is a part of a series of webinars designed to be delivered as panel-led case discussions to promote peer learning. This session aims to unpack curly and complex chronic obstructive pulmonary disease (COPD) patient presentations and to give health professionals the chance to share and learn from the expertise and experience of peers and expert panellists.

## Learning outcomes:

Discuss the diagnosis COPD

Discuss the treatment of COPD

Examine the referral pathways for a multi-disciplinary approach to COPD

## Panellists:

**Dr Sally Chapman**

Respiratory & Sleep  
Medicine Physician

**Dr Kerry Hancock**

General Practitioner

**Ms Laura Cooper**

Senior Respiratory  
Physiotherapist
