October 2019**

**6.00-8.30pm
Sage Hotel**

208 South Tce, Adelaide

No cost to attend
Dinner Provided

Presented by

Ms Kelly Arthurs

RN, Palliative Care Clinical Nurse
Consultant, *HammondCare Centre for
Learning & Research in Palliative Care*

Professor Josephine Clayton

Professor of Palliative Care, Medicine,
Northern Clinical School, Director, *Centre
for Learning & Research in Palliative Care*,
HammondCare, Senior Staff Specialist
Physician, *Greenwich Hospital*

Learning outcomes:

- Identify patients who will benefit from introduction to advance care planning (ACP) and/or palliative/supportive care needs assessment
- Assess patients' needs for ACP and palliative/supportive care
- Evaluate patients' requirements for follow up and additional support to meet ACP and/or palliative/supportive care needs
- Implement Advance Project resources in your practice

In order to get the most out of the workshop, we encourage all participants to commence the Advance Project™ online learning modules prior to the workshop. To access the online learning, please register for the Advance Project™ at www.theadvanceproject.com.au
