# "Putting Your Best Foot Forward"

## Diabetic foot assessment update for Practice Nurses

**Tuesday, 15  
October 2019**

**6.00-8.30pm**

**Ceduna Foreshore Hotel**

No cost to attend  
*Dinner provided*

### Learning outcomes:

- Perform a comprehensive foot assessment on a person with Type 2 Diabetes within the scope of practice for specific health professionals
- Increased knowledge in prevention of foot complications in a person with Type 2 Diabetes
- Recognise the common foot conditions which occur when a person has Type 2 Diabetes
- Discuss the appropriate referral pathways for patients with foot complaints in rural regions of South Australia to ensure patient safety

Presented by

**Eliza Graham**

Senior Podiatrist  
Eyre and Far North LHN

A certificate of attendance will be provided for 2 hours of CPD learning
