“Healthy Minds at Work”

This session will provide participants with information on:

- Understanding what is a mentally healthy workplace and the business benefits for creating a mentally healthy workplace
- How to implement a mentally healthy workplace and the critical factors for success
- Increasing your skills and confidence to approach someone you are concerned about and have a supportive conversation
- Increasing your knowledge about the range of free tools, resources and supports available to take workplace action

Presented by

Mardi Webber

Consultant,
ReturnToWorkSA

This workshop is targeted to Practice Nurses and Practice Managers.

A certificate of attendance will be provided for 2 hours of CPD learning.
