

The SA PHN Immunisation Hub invites you to attend an “Introduction to Immunisation” Workshop

The “Introduction to Immunisation” workshop is tailored to nurses, particularly those new to immunisation program delivery, however, all health professionals with an interest in immunisation are welcome to attend.

Date: Tuesday, 19 March 2019

Venue: Australian Nursing and Midwifery Federation (SA Branch)
191 Torrens Rd, Ridleyton

Time: 8:30am-5:00pm
Full day catering provided

Presented by: Angela Newbound, SA PHN Immunisation Hub Coordinator

Angela is a Registered Nurse who has specialised in the field of immunisation for the past 17 years. She delivers immunisation support and education to a wide range of health providers across South Australia and contributes to the development of immunisation resources to assist providers with challenging aspects of the immunisation program.

Workshop Topics:

- Unit 1 –Why Immunise?
- Unit 2 –Basic Immunology and Terminology
- Unit 3 –The Immunisation Program and Vaccine Types
- Unit 4 –Influenza Program
- Unit 5 –Legislation
- Unit 6 –The importance of good communication and addressing vaccine objectors
- Unit 7 –Vaccine Management and the Cold Chain
- Unit 8 –Vaccine Administration Procedure and Adverse Events

•The workshop will accrue 7 CPD hours
