

"ARTHRITIS MANAGEMENT AND PELVIC TRAUMA"

**Wednesday, 6
November 2019**

6.00-9.30pm
Martini Ristorante
59A The Parade, Norwood

No cost to attend
Dinner provided

Learning Outcomes

- Discuss the recent changes to the Arthritis Management Guidelines and how they impact primary care and ensure patient safety
- Outline the on-going care general practitioners can provide post-surgical intervention for pelvic hip trauma
- Describe the referral pathways for general practitioners for both public and private in relation to low grade hip trauma and on-going arthritis of the hip

Approved for 4 category 2 points with RACGP, activity#173645

Presented by
