

MEDICATION MANAGEMENT

Live interactive webinar for practice nurses

15 June 2020

6.30 - 8.30pm

Presented by Jane Giles

Diabetes Service

Rural Support Service, SA Health

Learning outcomes:

- Describe the natural progression for type 2 diabetes
- Develop an appreciation of the range of type 2 diabetes medications
- Identify patient education needs based on the type 2 diabetes education pathway
- Describe the referral pathways for medication education and individualised action plans
- Self-appraise own scope of practice
