

Supporting siblings of children and adults with disability

25 March 2021

6:00 - 7.30 pm

Live interactive webinar

Presented by:

Ms Kate Strohm

CEO Siblings Australia

This education session will look at the impact and challenges that arise for siblings of children and adults with disabilities. It is important that Health Professionals have an understanding of the roles and responsibilities of these children. During this education session, Health Professionals will examine the needs and benefits of supporting these siblings.

Learning outcomes:

- Define the needs of siblings of children and adults with disability
- Increased knowledge and skills on supporting siblings in practice
- Review the benefits of sibling support
