

The SA PHN Immunisation Hub invites you to attend a  
**Travel Medicine and Zostavax Program Update**

*This session is tailored to GPs and Nurses, however all health professionals who deliver, or have an interest in travel medicine and the Zostavax program are welcome to attend.*

**Date:** Tuesday, 28 November 2017

**Venue:** Education Development Centre  
4 Milner St, Hindmarsh

**Time:** 6.00pm-8.30pm  
*Light meal provided*

**Presented by:**  
**Dr Libby Muller, TMVC**  
**Angela Newbound, SA PHN Immunisation Hub Coordinator**

**The session will cover:**

**An overview of travel medicine and vaccine recommendations.**

Travel vaccination recommendations are dependent on many factors and may be complex. Travelers may need travel medicine expert advice when planning their itinerary.

**An overview of the Zostavax program which commenced on 1<sup>st</sup> November 2016.**

How has the program evolved over the past 11 to 12 months? Recalls, AIR data and medical software.

*\*The session will accrue 2 CPD hours*

**Registration:**

Visit the **sapmea** website to register online at [www.sapmea.asn.au/events](http://www.sapmea.asn.au/events)  
or register over the telephone on **08 8274 6060**

The SA PHN Immunisation Hub is grateful for the ongoing support and sponsorship from Seqirus for this education

## Presenters:

**Dr Libby Muller, TMVC**  
**Travel Medicine Update**

Libby worked in General Practice for 20 years prior to commencing work at the Travel Doctor in Adelaide. Her General Practice experience included 3 years at the Immunisation Clinic at the Women's and Children's Hospital and 4 years at Adelaide University Health Clinic working in student health. She studied Travel Medicine at James Cooke University in 2014 and was Medical Director at the Travel Doctor Adelaide in 2015 and 2016.

**Angela Newbound, SA PHN Immunisation Hub Coordinator**  
**Zostavax Program Update**

Angela is a Registered Nurse who has specialised in the field of immunisation for the past 17 years. She delivers immunisation support and education to a wide range of health providers across South Australia and contributes to the development of immunisation resources to assist providers with challenging aspects of the immunisation program.
