

A deep dive into

WORKING WITH MILITARY & EMERGENCY SERVICES AND THEIR FAMILIES

– CULTURE, BARRIERS & NEW APPROACHES –

they need their GPs!

Aimed at GPs and other Health Professionals, this seminar will explore the very latest in research and treatment paradigms and pathways for PTSD and other health issues for Military and Emergency First Responders such as Police, Firefighters and Ambulance. The impacts on families (partners, carers and children), the issues and programs will be discussed.

Saturday 14th August
9:00am - 2:00pm

Registration from 8:30 - 9:00am. Lunch Included.

ANMF - 191 Torrens Road, Ridleyton

*This seminar will be live streamed.
Please register to participate.*
