

Kidney Health Australia's Education Program in partnership with SAPMEA is pleased to present an interactive case study based workshop

Chronic Kidney Disease and Diabetes

Date 7th October 2021

Time 6pm – 8.30pm

Venue The Barn, 747 Glenelg River Rd
Mount Gambier

Presented by Dr Toby Coates, Director of Transplantation RAH
& Dr Chii Yeap, Nephrologist RAH

To register visit https://sapmea.asn.au/education/events/chronic_kidney_disease

Learning outcomes

- Recognise the importance of screening high risk individuals for CKD
- Correctly stage CKD using eGFR and urine ACR results
- Define the goals for best practice management of CKD, particularly regarding diabetes
