

Childhood Immunisation Schedule

Monday 12th August

7pm - 9pm

Online Interactive Webinar

Register at <https://sapmea.asn.au/education>

This workshop will guide GPs and general practice teams through the fundamentals of catch-up vaccinations, vaccine eligibility, vaccine doses and intervals between doses.

Facilitators:

- **Angela Newbound, Immunisation Coordinator**

Learning Outcomes:

- Discuss the importance of planning a catch-up schedule.
- Identify which individuals are eligible for certain vaccines.
- Plan a catch-up for an un-vaccinated 12-month-old child.
- Develop a catch-up plan for a partially vaccinated 4-year-old child.
