

# SALHN SURGICAL COMMUNITY COLLABORATIVE

*Building partnerships between Flinders Medical Centre and the surrounding General Practitioner community so that no patient gets left behind*

Join the FMC Surgical Department in a series of education and networking evenings.

A forum for GPs to meet the surgical staff specialists, exchange knowledge and best practice, and allow surgical and GP specialists to collaborate on system-based process improvements.

Session one: Colorectal

## I am bleeding, do I have cancer?

Thursday  
29th July  
6 - 8.30pm

St Francis  
Winery  
Reynella

Meet the entire Colorectal Unit Consultants with presentations from:

Dr Paul Hollington: *The Use of Faecal Immunochemical Testing in  
(Head of Unit) Colorectal Cancer Screening and Surveillance*

Dr Philippa Rabbitt: *Saving our Patients from the Public Hospital  
Referral Black Hole*

Dr Dayan De Fontgalland: *Anal Annals - What to do and when to refer*

Dr TC Sia: *I'd rather die! - The ins and outs of having a stoma*
